Skills	Problem Solving, Typing, Leadership, C++, Team Management, Volunteer Activities, Communication Skills, Management, Public Speaking, Scalability, Presentation Skills, Performance, C
Language	English (Both) , Telugu (Both) , Hindi (Read/Write)

INTERNSHIPS AND PROJECTS

Internships	Bharat sanchar Nigam limited (Duration 04 Week(s)) I joined summer training program on BSNL on my end of 2nd year at vijayawada .Their I learnt a lots of things regarding telicommunication and their evaluation in day today life .We can see every thing in a practical manner so I can understand clearly about how the signal transmission takes place and how does it transmitted from user to user through optical cables .How the cells are arranged in order to get high efficiency and many more general things like what type of problems they are facing and how do they overcame from those. Skills used - Networking,Switching,Networking Protocols
Projects	Voice activated home automation (Duration 04 Week(s)) The concept of Home Automation is gaining popularity as it helps in reducing human effort and errors and thus increasing the efficiency. With the help of Home Automation system, we can control different appliances like lights, fans, TV, AC etc. Additionally, a home automation system can also provide other features like security, alarms, emergency systems etc. can be integrated. Skills used - UART,Circuit Designing,Bluetooth,Relays RADAR SYSTEM (Duration 02 Month(s)) I have done this project with group of three people . The application of radio detection and ranging in different places such as military installation, commercial use is done with the help of RADAR SYSTEM which uses electromagnetic waves for detection of different physical components such as distance, speed, position, range, direction, size etc. which can be either fixed or be in motion. Skills used - Sensors,Embedded,Circuit Designing

PERSONAL DETAILS

Current Location	Lakshmipuram ,vinjamur
HomeTown	Nellore

Date of birth	July 07, 1999
Gender	Male
Looking for a	Full Time Job
Can start working	June 2021
Preferred location
